Thank You!

Thank you so much for downloading this product! I hope that it helps your little master those fine motor skills early on.

Every exposure helps, so feel free to print a few copies of these pages to introduce and refresh early writing skills as your child needs it.

A special thank you to Lisa Markle Sparkles for the adorable graphics! Check her out on [Etsy](#) and [Instagram](#).

If you are getting a little ready for Kindergarten, be sure to check out the [Ready for Kindergarten Learn and Play Program!](#)

And, for a stress-free summer full of curiosity and connection, be sure to grab the **Summer Play Planner!**
